

7. Zombies in the Making: Constructing the Reset

Billionaire status has exploded during the pandemic while, the bulk of global population is in a downward spiral. Headed toward mass starvation, transhumanism, and ecosystem collapse, many people are still dangerously unaware.

- 1) Take some time in a quiet area and take notes (mental or physical) of your childhood school, religious, and social experiences; include:
 - a. openness of free expression and personal opinion
 - b. influence to speak freely and openly even if others disagree
 - c. smells, sights, sounds, what you saw, how you felt
- 2) Compare that time, with your freedom, excitement, happiness levels, in general, today.
- 3) Watch TV/Movies/Commercials and observe with volume off.

Food For Thought

- Where does most funding for television come from? Who controls the message in television/movies?
- What is predictive programming and who is responsible for it?
- How are peoples' behavior controlled through television/videos/movies? How can you protect yourself from being controlled by your devices?
